All about...

Rondo Amadeo

The world-famous music by Wolfgang Amadeus Mozart with a modern sound

Much is known about Mozart,

perhaps his operas, certainly his "Kleine Nachtmusik" or the famous slow movement of his Piano Concerto no. 21 in C Major.

*In the **Mozart Year 2006** his music once again went around the whole **world**. During the Salzburg Festival even his entire work written for the stage was performed.*

But what's new?

That's what we were asking ourselves...and here it comes: Rondo Amadeo, which is as if Mozart had composed his music for the people of today.

*We hope you are **looking forward to Rondo Amadeo** as much as we do!*
